

# pittsburgh neighborhoods

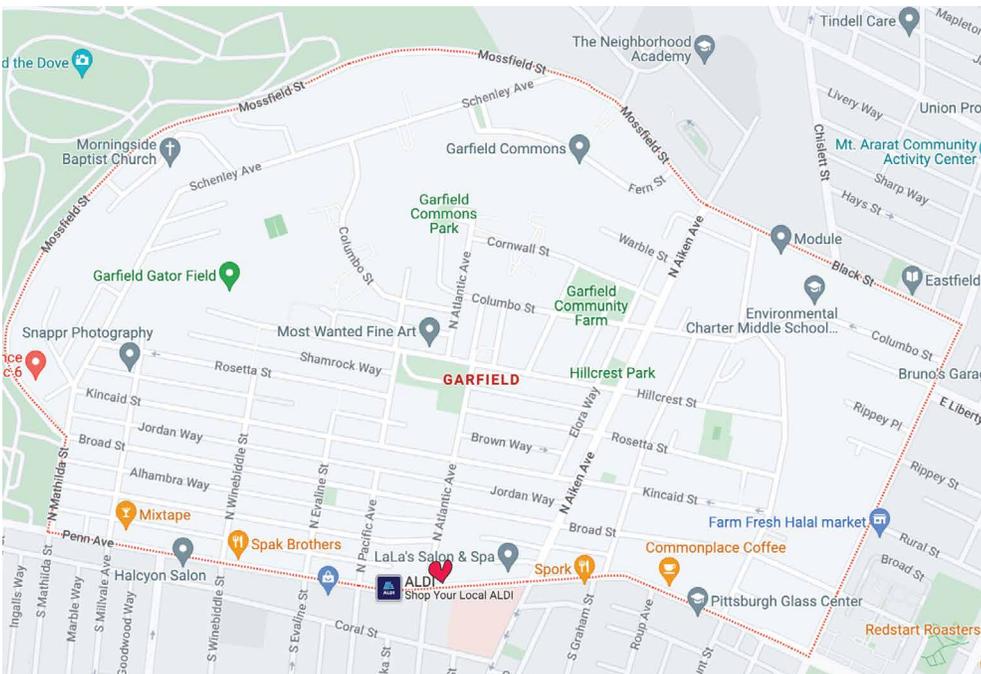

The city of Pittsburgh is composed of 90 officially-recognized neighborhoods.

Pedantic is located at the dense, walkable crosspoint of Garfield, Bloomfield and Friendship.

♥ Pedantic building and apartment

# map of garfield

Penn Ave is one of Pittsburgh's primary transportation arteries and marks the border between Garfield on one side and Bloomfield + Friendship on the other.

### A note on alcohol purchases in PA:

Alcohol can only be purchased through certain vendors in PA. There are many Fine Wine and Good Spirits stores throughout the city where you can get wine and liquor, and there are beer stores where you can get beers, ciders, and hard seltzers. Some Giant Eagle grocery stores and GetGo gas stations sell beer and wine, but not all of them.
